Mishima Zaibatsu vs. Call of Cthulhu
Pocket Valley Philosophers vs. March of the Black Queen
Twin Peaks Owls vs. Real Johto

Teams not currently part of the league system are now conference league teams with 60 VP.

14. GM's ramble

Hello all, and welcome to a new season of Rosedale Open! Good luck to everyone.

I'm going to leave more time for comments on most things up until issue 2, but considering lack of protests, these things will take effect:

- You can from now on only restart teams that are not in Kirkwood Showdown. No other restarts are allowed, even if you're taking over the team.
- Even if a player is trade suspended, he can be sold to the non-league.
- The rough play increase when meeting yourself will be implemented.

So that leaves us with

- * Whether transfer lists should be run throughout the season like last year.
- * Simply deleting dropped teams rather than having people taking them over, shuffling the free spot down to Kirkwood Showdown.
- * Headers.

Comments welcome up until issue 2.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahooogroup called rosedaleopen - you can join it from the homepage.

I plan to update the homepage for this season, <http://www.pvv.ntnu.no/~janbu/ropen.html> soon. The Rosedale Sun remains the official information source.

The home advantage is 6 VP. In the next issue, round 1 and 2 will be played, plus the first round of the Rosedale Knockout.

The deadline for issue 2 is Friday, January 7, at 2130 CET.

I will send out the teams that have changed owner / been newly registered soon. The rest of them are like the sheet you just got, so little need to resend them.
