Teams not currently part of the league system are now conference league teams with 60 VP. All cup games are played on neutral field, thus neither team will have a home advantage.

14. GM's ramble

We have finished the 16 first seasons, and a new one is ready to be conquered. The alpha version of the order submission program is progressing, and is hopefully ready soon. CF Adidal was the only team short on VP this season, and hopefully this is the last season they will be!

Promotions and relegations:

From each division except the Premiership, at least three teams will be promoted. From each division except Kirkwood Showdown, exactly three teams will be relegated. The last team of Kirkwood Showdown will be relegated to the conference league.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahoogroup called rosedaleopen - you can join it from the homepage.

I will update the homepage for this season soon. At <http://www.pvv.ntnu.no/~janbu/ropen.html> you can find it all! The Rosedale Sun remains the official information source.

The home advantage is 6 VP. In the next issue, round 1 and 2 will be played. The first round of the Rosedale Knockout will also take place.

The deadline for issue 2 is Friday, July 24, at 2130 CET.

I will send out the teams soon.
