Tamriel remain a strong cup team, here beating out Call of Cthulhu from the division above in the extra time, and deserving it too.

G.I.D. - St. Helens 1 : 2

Scorers: Insomnia (24.) ***helpmepleasecomputer (87.), Whatcomesnext (42.)

St. Helens picked the right strategy and deservedly knocked out Lexington side G.I.D. with one goal. That's two for Berkeley and none for Lexington!

DDS fought their way to an upper hand against FC Mokum, but luck weren't on their side, and they lost out anyway.

A practically even game for 120 minutes ended in the team with the weakest goalie moving through on penalties. Wow.

Twin Peaks Owls - Frackers FC 1 : 2

Scorers: Pteer (5.) ***Budo (13.), Nielsen (61.)

Booked: --- ***Mudo

Despite Twin Peaks Owls managing a small upper hand, Frackers FC moved through after picking the better strategy.

A practically even game where Kremlin got luckier and won.

14. GM's ramble

In the Premiership, Blue Revolution lead with 19 points. In a scramble for second place, Desassossego Blues, Erkrath Gladiators and Feyenoord all have 14 points. In the relegation zone, we have Night Owls (6 points), Car Park Rangers (5 points) and Kremlin (4 points). FC Mokum remain luckiest, while the distance between Blue Revolution and Feyenoord in points is more than two thirds luck, less than one third performance. Night Owls are unluckiest, now deserving to be in fifth place.

Sjokoladen BK storm ahead to 16 points, leading Lexington League two points ahead of Springfield United and Extreme. The Ages, the Potato People and Ergodic Theorems make up the bottom three, with 7, 6 and 2 points, respectively. All of them claimed points this weekend. Sjokoladen BK remain luckiest, while Queen remain unluckiest. Queen, while in 9th place, should have been on the top half if life was fair.

Tamriel Athletic have distanced the competition and now lead Berkeley Conference alone with 17 points. Chess Masters with 16 hold second, while St. Helens with 14 hold third. If they can keep up their current form, these three will definitely promote. At this point, there is a five team relegation race, with Jirs Park Rangers (6), Frackers FC (5) and Fjortoft's Friends (3) below the line. Drawmongers FC have been insanely lucky, while Fjortoft's Friends have been correspondingly unlucky. The skill difference between these clubs is half a point, which the league table hardly conveys very well.

In Kirkwood Showdown, there's a club on each point from 17 to 14 - Magical World, CF Adidal, Make or Break and Sleep Wanderers. Cheeseheads now hold the last place of doom, two points behind Liverpool FC and NFL United. Sleep Wanderers are now luckiest, while Team Tobbi are unluckiest.

Drawmongers FC are now luckiest of the league system, followed by FC Mokum and Sleep Wanderers. Fjortoft's Friends are now unluckiest, followed by Night Owls and Team Tobbi.

The home is still 7 VP. In the next issue, rounds 11 and 12 will be played.

The deadline for issue 7 is Friday, January 1, at 2130 CET. If this is before you return after Christmas/New Year vacation, remember to submit before you leave!

I will send out the teams soon.
