Rosedale Premiership Match day 18

=====

Blue Revolution - Erkrath Gladiators 0 : 0

Booked: --- ***Paule, Raffael

Blue Revolution managed a tiny advantage from the home crowd support, but a draw was the most fair result here.

Twin Peaks Owls - Car Park Rangers 2 : 1

Scorers: Pete Martell (69.), Vivian Smythe Niles (80.) ***Lightning (58.)

Booked: --- ***Spiderman

 A thriller of a semi final! The teams followed each other to 2-2 after full time and 3-3 after extra time, but in the penalty shootout, Premiership side Erkrath Gladiators managed to get one up and advance.

 Lexington side Thinkers FC picked the better strategy here and thus got somewhat of an upper hand. It also turned out to be enough to reach the final, despite missing their penalty.

14. GM's ramble

After two draws this round, Blue Revolution still lead the Premiership, six points ahead of Erkrath Gladiators. Desassossego Blues hold third, two points behind the Lunatics, and it looks very likely that the medals will be distributed to these three clubs. Below the line, we find FC Asskickers (11), Kremlin (10) and Car Park Rangers (9), who all took points this round, but still are in major trouble. Blue Revolution remain luckiest, while Night Owls are now the unluckiest.

Call of Cthulhu have now snatched the lead in Lexington League on better goal difference than Springfield United. Sjokoladen BK hold the last promotion spot, one point behind. The Ages (13), Queen (11) and Ergodic Theorems (5) are below the line, with the Potato People at 14 being their most realistic target. The Potato People are now luckiest, while Queen remain unluckiest.

In Berkeley Conference, Tamriel Athletic keep increasing their lead, now to three points. Dummys in second and St. Helens in third also look in great positions to move up, though several other teams may still catch them. Time Will Tell look almost relegated at this point, leaving Greensleeves United, Frackers FC, Jirs Park Rangers and Fjortoft's Friends to fight for the last two Berkeley seats. Drawmongers FC are now luckiest, while Fjortoft's Friends are unluckiest.

CF Adidal lead Kirkwood Showdown, one point ahead of Make or Break and Sleep Wanderers. Team Tobbi and Fantasy Finale follow another point behind, with Magical World three points behind first place. This bodes well for a real end season thriller! Cheeseheads still hold the last place of doom with 6 points, but have three other clubs within four points. Sleep Wanderers remain luckiest and Team Tobbi remain unluckiest.

Sleep Wanderers are now luckiest of the league system, followed by Blue Revolution and Erkrath Gladiators.
Queen remain unluckiest of the league system, now followed by Night Owls and Fjortoft's Friends.

The home advantage has increased to 9 VP. In the next issue, rounds 19 and 20 will be played.

The deadline for issue 11 is Friday, February 26, at 2130 CET.

I will send out the teams soon.
