Teams not currently part of the league system are now conference league teams with 60 VP. All cup games are played on neutral field, thus neither team will have a home advantage.

14. GM's ramble

Since the show must go on, and it was hard to hit the magical number of 48 without a plethora of AI teams, I've cut down to 36 instead. I'm open to re-extend the league system in the future, but for now, it'll be just three leagues. This also means that there will be no Berkeley matches from now on, unless the league system is extended.

Promotions and relegations:

From each division except the Premiership, at least three teams will be promoted. From each division except Berkeley Conference, exactly three teams will be relegated. The last team of Berkeley Conference will be relegated to the conference league.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahooogroup called rosedaleopen - you can join it from the homepage.

I will update the homepage for this season soon. At <http://www.pvv.ntnu.no/~janbu/ropen.html> you can find it all! The Rosedale Sun remains the official information source.

The home advantage is 6 VP. In the next issue, round 1 and 2 will be played. The first round of the Rosedale Knockout will also take place.

The deadline for issue 2 is Friday, April 23, at 2130 CET.

I will send out the teams soon.
