1. Introduction

The next round, the home advantage will remain 9 VP.

Next issue, you send orders for:

- * match days 21 and 22 in the league (see section 12)
- * the Rosedale Knockout final (see section 13)

In addition, as always, you send coaching. I would like to point out that these are your last orders for the season. All your squad trimming must be performed now, by selling your excess players to the non-league. Remember that you need to keep at least 1 goalkeeper aged ap or older, and at least 10 non-goalkeepers aged ap or older, or your sales will not go through.

I will send out the teams your soon.

As forecasted last issue, the deadline for issue 12 is Friday July 20, at 21:30 CET.

After this, there will be a season break. I'm not sure when the next deadline will be, but it will certainly be no earlier than 3rd of August.

Refer to GM's ramble, section 14, for luck statistics and further comments.

2. Broadcast messages

Ian Moes, Saturday Morning FC:

«The Board of Saturday Morning FC has taken great offence at Mr Tucker's recent comparisons to Frillby United. It is clear that Mr Tucker is one of these Johnny-come-lately supporters that doesn't have the correct amount of perspective. It's very easy to whinge and moan when you've experienced nothing more than Division 3, but where was Mr Tucker when the team was winning consistently, playing Premiership football and making long Cup runs. No, it's clear that Mr Tucker is one of those all too common misery-seeking supporters, switching Clubs as soon as there may be a hint of winning football. Well SMFC wasn't always a pathetic excuse for a football club you see now - only 22 seasons of blood, sweat and tears from this Board has achieved that. Maybe Mr Tucker should go get his bovril at Twixby Lane, and leave Saturday Morning to those that went through the hard yards of all those winning years. Vilis est sermo!»

Jed Stone:

«Extracts from Sports Section:- LONGDALE COURIER - Skelsthorpe
HISTORY REPEATS ITSELF:- Saturday Morning's recent match against Frillby United holds remarkable similarities to the match in 1924 when the two teams first met. That was in the now defunct 'National League' and the score then, as now, was 2 - 0. On the first occasion the damage was done by John (the Hare) Fleetwood, Frillby's centre half. With two magnificent solo runs from his own penalty area, he carved up Saturday's defence to score twice. This time it was cousins, Skelton and Frisbee who each took a turn to do the same thing. Remarkably, both are blood relations of John Fleetwood's!!

Other Matters:-

A rumour that for the last two matches, the Saturday players had had pre match drink of Bovrilla which resulted in their less than outstanding performances against Frillby and Cosmopolitan have been denied by Sid Watkins team coach. He is quoted as saying, '...this team don't need to use drugs of any sort. They are perfectly natural sportsmen and play every match to the limits of their ability.' You said it Sid!

DID YOU KNOW: The oldest team in the third division is Oaks? Now based at Epsom their original home was Portsmouth where the team was formed in 1897 to play in the old Southern league. They were then called 'Hearts of Oak' after the naval song of the same name, and the whole squad was made up of dockyard workers and shore-based sailors. By the mid 1930's it was a professional

side playing in the National League. In 1934 Lord Murrey, the famous racehorse owner, bought the Club and moved it to its present ground at Epsom.»

Scorers: Wax (64.), Moppie (55.), Waffle (27.) ***Sariska (52., 72., 80.),

There were great expectations before this game - surely, if anyone was going to beat Oaks this season, it had to be second placed Cosmopolitan at home? Cosmopolitan even had nine straight home wins out of nine possible coming into this match. However, their fans hoped in vain as Oaks scored six and won by three - even after the home team pulled off the achievement of scoring three goals in one game against a club that have received 9 goals in 19 matches.

Tamriel Athletic vs. St. Helens

Teams not currently part of the league system are now conference league teams with 60 VP. All cup games are played on neutral field, thus neither team will have a home advantage.

14. GM's ramble

(for the main information, refer to the Introduction)

The coveted luck statistics:

Premiership: Serial Killers remain luckiest, while Enga's bad luck is now worse than the second and third worst luck in the entire league system combined.

Championship: Fantasy Finale are still luckiest here, while Call of Cthulhu remain unluckiest. Division 1: Dirigentia con Brio and Lake Tanganyika are still the lucky duo of Division 1, while Stadium Dreams remain unluckiest.

Division 2: There are no big good luck deviations here, but New Generation stay luckiest. Springfield United and Sheffield Thursday are unluckiest.

Division 3: No big good luck deviations here either, but Gamblers United has best luck, and Frock Frogs are still unluckiest.
