16. List of addresses

Introduction

Hello all, and welcome to the new season! Let's hope for a tight and exciting competition.

The early deadline for issue 2 is Friday January 9, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 2 is Friday January 16, at 21:30 CET. It's always Fridays at 21:30 CET.

I think the below list is correct, for reference:

- * Friday 14:30 Central United States
- * Friday 15:30 Eastern United States
- * Friday 20:30 United Kingdom
- * Friday 21:30 Austria, Germany, Netherlands, Norway, Sweden
- * Saturday 01:00 India
- * Saturday 03:30 Eastern Kalimantan
- * Saturday 04:30 Japan
- * Saturday 06:30 New South Wales

Next issue, you send orders for:

- * match days 1 and 2 in the league (see section 12)
- * the first cup round (see section 13)

This round, the home advantage is 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

By the time you read this, I have already sent out your teams..

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahoogroup called rosedaleopen - you can join it from the homepage.

Season information:

Every issue from 2 to 12 contain two league matches. Cup draws are done in odd (1,3,5...) issues, cup games are played in even (2,4,6...) issues.

Issue 1: Start of the season issue, no matches played. First GM's auction and cup draw shown here.

Issue 2: Most players will discover all their three talents here, before the first matches.

Issue 6: This issue is the last chance to discover talents and still have them reach 7 this season.

Issue 7: This issue contains the last GM's auction of the season (sold in issue 8).

Issue 10: This issue is the last chance to add players to the transferlist.

Issue 12: This issue is the last chance to sell players to the non-league.

2. Broadcast messages

None.

3. Apprentices discovered

None.

4. League results

No matches played yet.

5. League tables
