## 1. Introduction

---

---

Hello all, and welcome to the new season!

This time, we have the pleasure of including a new manager. His name is Leigh Arrowsmith, and his club is called Hydra Conglomerate. Welcome to Rosedale Open!

In addition, Ronald Post is starting a new club called DoggyDating.com. I think you will have trouble beating it simply because they are so charming. Look at this heart-melting picture of the team captain, Daisy:

This time, I'd also like to bring you back for a moment to where it all started. A lot of you have heard a number of times: Rosedale Open is «based on United by Alan Parr», just like its predecessor Nightmare League. Indeed, without Alan, this league would never have existed.

This time, there is a special opportunity for you. The original United league is still run by Alan Parr, in his zine called Hopscotch. At the moment, it is rapidly approaching the season break, and there's room for new managers. I have personally played this game for the last two years or so, and I can attest that it's a fun and interesting game, always well looked after by

the GM. Unlike Rosedale Open, which is highly automatised, a lot more happens by hand in Hopscotch, which leaves opportunities for tailoring. Those are well utilised - a lot of players have unique characteristics, and in every season break you can try to sign coaches who add a new dimension to the club. To top it all off, you have tactical options in the games like offside trap, stonewall defense and blanket defense. Clearly a different gaming experience, and if you have the time, I recommend you give it a go!

Hear from Alan Parr himself:

«One thing I can claim for United in Hopscotch is that we offer the world's first and longest-running league (one manager has been involved since the very first session in 1980 !). We have three divisions of ten teams each, there's a ten-session playing season which takes eighteen months from start to finish. The First Division will let you cross swords with some of the world's great managers, but playing in the lower divisions will let you build up your team until you're ready for the ultimate challenge. We're coming to the end of the season and there seems likely to be at least one vacancy for a new manager, perhaps two or three, so you would be joining in good time to take over in the close season and begin planning for season 27. If you'd like copies of the rules, game reports, etc, just let me know.»

You can get in touch with Alan Parr at [arparr@btinternet.com](mailto:arparr@btinternet.com) .

Please notice the deadlines - if you can, I advice you to get orders in before Christmas, just in case the festive season and New Year get busy.

I wish everyone reading the Rosedale Sun a merry and peaceful Christmas and a Happy New Year!

The early deadline for issue 2 is Friday December 30, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 2 is Friday January 6, at 21:30 CET. It's always Fridays at 21:30 CET. Publication of issue 2 expected latest Wednesday January 18.

If issue 2 is out on time, the deadlines for issue 3 will be January 27 and February 3. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

I think the below list is correct, for reference:

- \* Friday 14:30 Central United States
- \* Friday 15:30 Eastern United States
- \* Friday 20:30 United Kingdom
- \* Friday 21:30 Austria, Germany, Netherlands, Norway, Sweden
- \* Saturday 01:00 India
- \* Saturday 03:30 Eastern Kalimantan
- \* Saturday 04:30 Japan
- \* Saturday 06:30 New South Wales

Next issue, you send orders for:

- \* match days 1 and 2 in the league (see section 12)
- \* the first cup round (see section 13)

This round, the home advantage is 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

By the time you read this, I have already sent out your teams..

I offer email reminders for the game - if you want to be added to that mailing list and be reminded periodically about the deadline, let me know.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahoogroup called rosedaleopen - you can join it from the homepage.

Season information:

Every issue from 2 to 12 contain two league matches. Cup draws are done in odd (1,3,5...) issues, cup games are played in even (2,4,6...) issues.

Issue 1: Start of the season issue, no matches played. First GM's auction and cup draw shown here.

Issue 2: Most players will discover all their three talents here, before the first matches.

Issue 6: This issue is the last chance to discover talents and still have them reach 7 this season.

Issue 7: This issue contains the last GM's auction of the season (sold in issue 8).

Issue 10: This issue is the last chance to add players to the transferlist.

Issue 12: This issue is the last chance to sell players to the non-league.
