Hi all, and welcome to the newest issue of Rosedale Open!

The deadline for issue 10 is Friday December 13, at 21:30 CET. It's always Fridays at 21:30 CET.

Publication date for issue 10 is Wednesday January 1. It might be out sooner.

If issue 10 is out on time, the deadlines for issue 11 will be January 10 and 17. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Next issue, you send orders for:

- * match days 17 and 18 in the league (see section 12)
- * the Rosedale Knockout semi finals (see section 13)

This round, the home advantage remains 8 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club.

By the time you read this, I have already sent out your teams.

2. Broadcast messages

Jed Stone, Frillby United:

«From the Sports Section:- LONGDALE COURIER - Skelsthorpe
Do alien's exist and if they do, do they, can they play football? This question has been puzzling scientists, pundits, fans, the police and the Ladies of the Skelsthorpe WI for the last few weeks ever since the 'football life form' was spotted at the Tin Pan Alley training ground. The 'footy beast' as fans have named it, has not made an officially recorded further appearance and no trace of it has been found since that first sighting. Theories around it abound. Many centre on the Professors of Jazz team being high on 'some funny stuff' or more likely having consumed a large quantity of Pan Galactic Gargle Blasters prior to the training session. The evidence seems to support this theory as the majority of scientists reject the idea of the existence of aliens. A large section of the public and the Skelsthorpe WI, however, are ardent supporters of the 'aliens exist' campaign. To solve the problem Patrick McGullan, Chairman of the N.L.B.C. (National Leagues Board of Control) has consulted with Madame Zelda Crumpata - the well-known mystic. She says Chief Yamatoo Mongpat, her Apache spirit guide, rejects the ideas of both drugs and alien life forms. He says the answer is scientific, which Madame Zelda interprets as 'robotic'! The police are now looking for a small, one eyed, robotic, alien life form, high on drugs with a strong interest in football!!! »
