The deadline for issue 11 is Friday April 9, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 11 is Wednesday April 28. It might be out sooner.

If issue 11 is out on time, the deadlines for issue 12 will be May 7 and 14.

If you have heard nothing by the publication date, feel free to get in touch to check up on it. You can also check the homepage to see if the new issue is out or not.

This round, the home advantage has increased to 9 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

Jed Stone, Frillby United:

«Letter to the Sports Editor Eric Philpotts LONGDALE COURIER - Skelsthorpe

Dear Sir, My mate has a cousin who is a friend of a man who knows a bloke who works part time for a newspaper as a photographer. Obviously not your newspaper. Another newspaper. If it were your newspaper, I wouldn't need to tell you this because you'd already know about it. Anyway, this fella was sent to cover a football match between Slartibartfast and Frillby United. When he arrived a security guard told him that under no circumstances was he allowed to take a photograph of the goals as the TV had exclusive rights to any goals scored. He thought that was odd as there were no TV cameras at the match. Anyways, he was put between two screens so he could only see the middle of the pitch and a security guard was with him. When the guard was not looking, he took a picture of a goal mouth through a hole in the screen. When the photograph was developed the goalkeeper was an Octopus!! A really big octopus with big googly eyes. (He was in a sort of space helmet full of water so it could breath.) When he looked through the hole with his eyes the goalkeeper was a fella again!! like Tommy Truet said them alien things they can't fool a camera. I recon its the VAR machines. They are really 'Visual Adjustment Regulators'. They adjust your brain waves so you see what THEY want you to see. THEY don't want you to know there's octopuses in goal and alien whatsits on the pitch. No wonder they need to train gorillas to be referees. It's dangerous on them football fields! Unfortunately, my mate didn't know which team it was that had the octopus goalkeeper, but if you send your photographers to the matches to get pictures of the teams you'll see that I'm right. There ARE octopuses and aliens playing football!!

match day 20

13. Rosedale Knockout semi finals

Night Owls - Serial Killers 0 : 3

Scorers: --- ***Willy Pickton (7., 82.), Nestor Pirotte (31.)

Penalties: - ***- (1 missed)

Night Owls came closer than the scoreline indicates, but opposition from the title fight of the top flight proved too hard. Still a nice run for a Championship side to reach the semi finals!

Twin Peaks Owls - Currents of Space 4 : 3 a.p. (0 : 0 ot., 0 : 0)

Two very evenly matched teams played 120 goalless minutes, and then Twin Peaks Owls won out in the penalty shootout.

Teams not currently part of the league system are now conference league teams with 60 VP. All cup games are played on neutral field, thus neither team will have a home advantage.

14. Luck statistics

Rosedale Premiership: Sheffield Thursday stay luckiest, while Dirigentia con Brio stay unluckiest.

The Championship: Rapid Crew become most fortunate. WrapUp are now unluckiest.

Division 1: Dummys stay luckiest here, while Queen have worst luck so far.

Division 2: Best luck for Extreme, worst luck still for The Scientists.
