1. Introduction

Here are the latest results! Since the issue is early, we'll stick with the previously announced schedule.

The early deadline for issue 9 is Friday April 22, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 9 is Friday April 29, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 9 is Wednesday May 17. It might be out sooner.

If issue 9 is out on time, the deadlines for issue 10 will be May 27 and June 3. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

This round, the home advantage remains 8 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

Jed Stone, Frillby United:

«Trillian Lane - Training ground of Slartibartfast

Allgarth and his two friends were perched on the head (or cross bar) of Bezrath watching the Slartybartfast team practicing penalty kicks at the other end of the ground.

'So. You seriously think this lot can still top the league Bezrath?' asked Thongral (the pigeon).

'Certainly!'

'Despite the fact that they have spent most of the season propping up the rest of the league and only managed to score twelve goals all season!'

'And your point is? Have you no faith?'

'It occurs to me,' cut in Allgarth, 'that this planet gave football to the Universe some four plus centuries ago and it has been off limits to alien kind ever since. However, we have a team, Slartybartfast, that show numerous signs of alien infestation yet don't appear to have any illegal alien infestation. Furthermore, last season every team in every league was paranoid about being under alien observation. But they weren't and now here we are. Observing.....'

'...probably the worst team in any league anywhere?' purred Hallific helpfully as yet another penalty failed to materialise.

'I was going to say,' continued Allgarth, 'an extremely peaceful training session. I doubt that such peace exists on any pitch, on any planet in any Universe right now. The 'Doom and Gloom' protesters will be out in force proclaiming the 'End of all Time'. It's a regularly quarterly thing ...out there but not here.'

'And here we are,' cut in Bezrath distracting himself from the penalty takers, 'sent by we-know-not-whom, for reasons unknown'.

'Right', said Allgarth. 'The truth is out there. Let's go find it. I know a lady that may be able to help.'

'I'll check into Slartybartfast,' said Thongral.

'And I shall check on possible alien incursions into 'Forbidden Space' purred Hallifac.

'Meanwhile, I shall see about adjusting my bet on Slarty,' muttered Bezrath, 'and I'll check on the protests while I'm there,' he added hastily.

With that all four friends went their separate ways and missed Humma Kavula finally succeeding in putting the ball into the net!»

Rosedale Premiership Match day 13

=====

Parsifal - Kremlin 0 : 0

An even game with a deserved point for each club.

Chicken Run - Feyenoord 2 : 0

Scorers: Helga (7.), Pinar (9.) ***---

A slow game where Chicken Run were a little bit stronger, and with two early goals,, it became quite comfortable for them.

Serial Killers - Oaks 7 : 2

Scorers: Willy Pickton (12., 48., 74., 79.), Nestor Pirotte (16., 80.), Samuel Little (63.) ***Minuet (43., 70.)

A solid win for Serial Killers inches them up one point behind table toppers Kremlin.

Daisy's Friends - Twin Peaks Owls 0 : 0

Twin Peaks Owls came undefeated to play against the dogs, and managed to avoid any goals by bringing new soft cushions. They were intended for napping on, but it obviously was a lot more fun running around the field carrying them.

Dirigentia con Brio - Currents of Space 0 : 0

Another quiet game ended in a goalless draw.

ENPS - Sheffield Thursday 8 : 3

Scorers: Wim Luberti (31., 52., 83.), Kees Baker (1., 45., 69.), Frans van Dalen (16.), Tom Bottema (38.) ***Josh Windass (5., 83.), Ash Baker (80.)

After the goalless draws, it sure was nice for the spectators to see some goals - though the visiting fans probably hoped they'd get more than three of them.

An even game with a deserved point for each club.

Kremlin - Chicken Run 2 : 1
Scorers: Glasnost (45.), Natasha Nogoodnik (84.) ***Helga (38.)

Penalties: 1 ***-
Booked: long term ***Widemos
Gamblers were two places above WrapUp on the table before this match, which the

promotion race is very small, so everything can still happen.

Castaway - the Professors of Jazz 6 : 3
Scorers: Ometepe (60., 86.), Phuket (90.), Alad (32.), Cadlao (80.), Jamaica

13. Rosedale Knockout quarter finals

Dirigentia con Brio - Currents of Space 0 : 1

Scorers: --- ***Ethan Fortune (17.)

A slow game where Currents of Space managed to get the one goal they needed to reach the semi finals.

Lake Tanganyika - Kremlin 0 : 1

Scorers: --- ***Tigran Zenjarplan (52.)

Lake Tanganyika have been crushing all opposition in The Championship this season, and were close to even against Kremlin from the Premiership title race here. However, Kremlin had a small play advantage and managed to win.

Botanica - Twin Peaks Owls 0 : 1 ot. (0 : 0)

Scorers: --- ***Sonny Jim Jones (116.)

The teams were goalless after the normal 90 minutes, but in extra time, Twin Peaks Owls found the one goal they needed.

New Generation - Parsifal 0 : 1

Scorers: --- ***Heracross (73.)

An almost exactly even game, where Parsifal got the winning goal.

Teams not currently part of the league system are now conference league teams with 60 VP. All cup games are played on neutral field, thus neither team will have a home advantage.
