1. Introduction

Here are the latest results! Since the issue is early, we'll stick with the previously announced schedule.

The early deadline for issue 11 is Friday July 1, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 11 is Friday July 8, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 11 is Wednesday July 27. It might be out sooner.

If issue 11 is out on time, the deadlines for issue 12 will be August 5 and 12. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

This round, the home advantage increases to 9 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

Jed Stone: «Trillian Lane - Training ground of Slartibartfast (Early morning)

The four friends had regrouped to compare information. 'Interdimensional space is free of intrusions' stated Hallifax. 'No-one has been there.'

Allgarth sighed, 'Madame Zelda and her spirit Guide know nothing, Yamaatoo Mongpat says there is a '...disturbance in the filament...' what ever that is. They were both more concerned that Slartibartfast lost its last two matches.'

'That's odd,' cut in Bezrath. 'Those two matches have caused chaos on Venuras Five. The Slartibartfast team are idealised by the Muniapods. When they lost against The Frock Frogs several hundred of the Muniapods shot themselves in the foot in misery at the loss. When they lost against Cosmopolitan several thousand more followed suit, which is not a good thing for a race with only one foot to start with! The whole planet is in a state of mourning. To make matters worse a group of Vogons on Rasper held a Poetry Party to raise funds to help 'distressed Muniapods' and traumatised the whole planet with the first poem!! The resources of six galaxy's have had to be poured into those two planets and they are both still out of bounds.

'I've investigated Slartibartfast,' said Bezrath. 'Apart from having a strange management team and fans that drink a drink that is probably lethal to their health there is nothing apparently wrong. Apart from the fact that they are not very good at football of course.'

'Why is there so much fuss about a team at the bottom of the lowest league on the smallest planet at the unfashionable end of the Galaxy?' said Allgarth. It does not make any sense. Someone, somewhere must know something!'

High in the sky above the group Paylord the golden eagle serenely rode the thermals. Sharp eyed he stared down at the little party and pondered. »

Parsifal - Serial Killers 0 : 0
An even game with a deserved point for each club.

Daisy's Friends - Chicken Run 0 : 1
Scorers: --- ***Jezebel (59.)
The dogs had the upper hand here, but Chicken Run managed to keep them from scoring. And with a goal of their own, the visitors claimed both points.

Dirigentia con Brio - Kremlin 0 : 0
Although Dirigentia con Brio had the most chances here, neither club managed to score, so it's one point for each.

ENPS - Feyenoord 0 : 0
ENPS had most of the play here, but it seems draws are a trend this round.

Sheffield Thursday - Oaks 4 : 4
Scorers: Michael Hector (81., 88.), Ash Baker (69.), Jordan Storey (49.) ***
Monade (58., 80.), Asmena (60.), Minuet (17.)
A very exciting match for the fans, and with two goals from Michael Hector in the last nine minutes, the home team claimed a draw.
