1. Introduction

Hello everyone! Here are the latest results. Since the issue is early, we'll stick with the previously announced schedule.

The early deadline for issue 9 is Friday June 16, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 9 is Friday June 23, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 9 is Wednesday July 12. It might be out sooner.

If issue 9 is out on time, the deadlines for issue 10 will be July 21 and 28. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Next issue, you send orders for:

* match days 15 and 16 in the league (see section 12)

This round, the home advantage remains 8 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

2. Broadcast messages

Jed Stone, Frillby United:

«Watcher's Log 7

The plan was simple. It involved the final of the 1966 World Cup in the 'Earth' dimension. Very popular in 'Rosedale' and well broadcast with megabucks available from bets all that had to be done was to set up one of the two finalists as the favourite. Offer great odds and collect a massive amount of money in bets and then make sure the other side wins. In a single dimension this would be simply a matter of threats, bribery and possibly a little GBH with keeping a weather eye open for the heavy hand of the law making a mess of things. Trying it across a dimension gap, in theory, was only slightly different but safer. The gathering of bets was confined to the 'Rosedale' dimension, far removed from the actual game in the 'Earth' dimension and therefore beyond the reach of the laws and law enforcers of either dimension. The means to broadcast the match was already in place. Ramping up the prospects for one team was a simple matter of mind over gullible gamblers. The tricky part was obtaining the result of the match before it was played. The corridor between the dimensions, discovered by Zarguon was officially sealed but a zonking great bribe allowed a Diffilian Mangum Dwarf to slip into the corridor to discover the result. Once the syndicate knew Germany won 3-1 it was a simple matter of ramping up England's chances to the punters. What could go wrong? »

13. Rosedale Knockout quarter finals

Springfield United - Kremlin 0 : 3

Scorers: --- ***Natasha Nogoodnik (3., 39.), Troll Factories (67.)

Premiership side Kremlin had little trouble securing a semi final spot here.

Feyenoord - Queen 4 : 6

Scorers: Wim van Kilsdonk (4., 22., 37.), Jan Verhoek (52.) ***Nevermore (37., 83.), Innuendo (72.), Death on 2 legs (80.), March of the black queen (65.)

Penalties: - ***1

Booked: Lex Schoenmaker ***Ardin Bosboom, Face it alone

It was an even and entertaining match here, and in the end, it turned out that Queen had the best karma tonight.

Serial Killers - Lake Tanganyika 0 : 1

Scorers: --- ***Dubois (16.)

Lake Tanganyika claimed an early lead by a goal from Dubois. Serial Killers pushed hard to get back into the game, but never managed to get the equaliser.

New Generation - Currents of Space 1 : 0

Scorers: OwnGoal (5.) ***---

Wow! OwnGoal scored a goal real early, and even the table toppers of the Premiership couldn't manage to get a goal against New Generation here.

Teams not currently part of the league system are now conference league teams with 60 VP. All cup games are played on neutral field, thus neither team will have a home advantage.
