2. Broadcast messages

Jaap Smolders, Ajax: «Well promotion is getting hard but we will try»

Jørgen Bjørnelv, Andeby FK: «Today's song: How long, how looong will I slide? Answer on last song: E-type - Africa»

Sean Cable, DC Red Hot and Blues: «o, Really! This week it is! We need at least one win!»

Håvard Pettersen, Flaaklypa FK: «Still looking for more players, mail me if interested in trades, sale or bying. Got many strong (skill 10) players at age II, need younger, but even more important: Need coachable players ;-))»

Jørgen B. Vehusheia, Jedi Order: *breaks down crying*

Håvard Pettersen, Odd Athletics: «1H - p - 2NT - p
4C - p - 4NT - p
5S - p - 5NT - p
6D - p - 7H - p»

Jørgen Bjørnelv, Really New Bremen Cyberdruids: «;):(:):P»

Dribbling Dragon, Rosedale Quest: «Do not take the ball from a dragon, for thou art crunchy, and taste like chicken.»

Knut Eivind Brennhaug, The 5 Percent Community (thanks to user Spredo at VGD for this one): «Apparently a lot of our members didn't understand our instructions, even how clearly we wrote them:

YOU CANNOT SELL STOCKS AT A PRICE BELOW OUR FIXED PRICE.

We have seized all these members' stocks, however, all of you are welcome to rejoin us, but then you'll have to start at the bottom of the chain.

For the rest of the members, we make another split, so that you double your fortune. Hallelujah!

To the sceptics out there, this is not a pyramid, although it might look like one. Thanks to solid management from the top, we avoid the traps that the pyramid companies fall into. There is absolutely no risk that we will suffer the same destiny as WGI.

This is not something I just say to make money, since I sold all my stocks some time ago, I can prove that this is a great company. I just receive a commission of 2 % on every sale, so my statements are 100 % neutral and unbiased.

Join us while there still are stocks left.»

Knut Eivind Brennhaug, Twin Peaks Owls: «
Jerry Horne: Sweetheart, I'd like to order two drinks. One double scotch on the rocks, and my brother would like a double scotch on the rocks.
Female bartender at One-Eyed Jack's: That's two double scotch on the rocks.
Jerry Horne: Next step: rocket science!»

3. Apprentices discovered

None.

Rosedale Open Match day 17 =====

The 5 Percent Community - Grunts United 0 : 0

Unspirited Cyberdruids came to the Mouse Dome without hope for points, and the prophecy proved self-fulfilling.

Mishima Zaibatsu - Saturday Morning FC 0 : 4
Scorers: --- ***Squirtle (40., 72., 76.), Quickdraw McGraw (41.)
Booked: --- ***George of the Jungle, Quickdraw McGraw
A match both teams really needed to win to keep up in the medal race. As it turned out, the home team had a large majority of the chances, but proved mystically unable to score, and SMFC get two points for free to trade in for the two that were stolen from them last round.

Monkey Business - Sale Savoyards 1 : 1

Scorers: Minnie Goudsoup (80.) ***Constance (85.)

The Singers manage to play almost even with the Pirates Wannabe, and claim a very important point in their fight for survival at the top level.

Penalties: - (1 missed) ***-

This match is key to decide promotions from Lexington this year, and the Mobsters left little doubt that they will be following the Black Caps and the Stabbers up to the premiership. There's still 4 matches to go, though!

Greensleeves United - Disney Classics 0 : 0

13. Rosedale Knockout semi finals results

Sale Savoyards - Grunts United 1 : 0

Scorers: Mabel (67.) ***---

With no fighting spirit in either team, the Greenskins had virtually all the play, but allowed the Singers a counter attack in the middle of the second half, on which they scored. Continuing their inefficiency, 1-0 is the final score - good luck to the Singers in the final!

World Ambassadors - Lower Tadfield Apocalypse 3 : 4 ot. (3 : 3)

Scorers: Prototype Jack (64.), Rudi van Hal (85.), John Milardovic (20.) ***The delivery man (35., 120.), Mrs. Beryl Ormerod (59.), Petter Belsvik (75.)

Penalties: - ***- (1 missed)

Booked: Haavard Pettersen, Russ Bynum ***---

Quite even and exciting, with both teams having scored three goals through normal play. When overtime was almost over, and the Stabbers were preparing for the penalty shootout, the delivery man delivered a goal, and Tadfield qualifies for yet another cup final.

14. GM's ramble

All clubs submitted this time, good!

Next season is approaching, and I'd like some input on which teams you want to carry on with. Considering only some of you will be reading this here, I will write a note to everyone with their teamsheets.

Lower Tadfield Apocalypse still lead Rosedale Open, but Camarilla Divided now follow with 29 points to their 31. Monkey Business in third have 27. The relegation zone is made up of The 5 Percent Community at 11 points, the Ancients at 9 points and Really New Bremen Cyberdruids at 4 points. The luckiest team of Rosedale Open is Monkey Business, and the unluckiest is Sale Savoyards.

In Lexington League, Batt in Blax hold on to their one point lead, with them now being at 31 points, with World Ambassadors following on 30. Gangsters United follow three more points behind. In the relegation zone, we find Jedi Order (10), the Blitzball Team (9) and Lords (5). The luckiest team of Lexington is First Men of Rome, and the unluckiest is Desassossego Blues.

The tie at the top of Berkeley Conference remains, with both Flaaklypa FK and Rosedale Quest now having 33 points. Brazil Star Conquerors follow closest, 8 points behind, with a one point lead over Ajax in fourth. DC Red Hot and Blues with 10 points, Fluffy Bunny Eaters with 6 points and Coventry with 1 point make up the relegation zone. The luckiest team of Berkeley is Car Park Rangers, and the unluckiest is Marvel Comics.

Kirkwood Showdown has been tossed up a lot, and is now lead by Twin Peaks Owls and Monster Time, with 23 points each. Dummys, Erkrath Gladiators and Greensleeves United all have one point to catch up, while Real Johto has two points to catch up to the top. Camlutman City at the relegation spot still have 6 points, now with 2 points up to Disney Classics at 11th. The luckiest Kirkwood team is Monster Time, and the unluckiest is Real Johto.

The luckiest team of all is Monster Time, followed by First Men of Rome and Monkey Business. The unluckiest team is Desassossego Blues, with Real Johto and Marvel Comics following closest.

The home advantage has increased to 9 VP. In the next issue, rounds 19 and 20 will be played.

The deadline for issue 11 is Friday, March 12, at 2130 CET.

I will send out your teams tomorrow, with questions for next season.
