#### 13. Rosedale Knockout final

Thinkers FC vs. Erkrath Gladiators

#### 14. GM's ramble

---

Blue Revolution won the Premiership this weekend, while only goal difference separates Erkrath Gladiators and Desassossego Blues for the silver and bronze medals. The relegation zone is made up of Kremlin and FC Asskickers with 12 points each, and Car Park Rangers with 11. With a team at 15 and two at 16, things can still change, but either of these three need a really good last weekend to survive. Blue Revolution are still by far luckiest, while Night Owls are unluckiest.

Springfield United suddenly leaped ahead to a three point lead in Lexington League and look hard to challenge for the title. Call of Cthulhu and Sjokoladen BK hold the two other promotion slots, but several other teams may still challenge these two if the results go their way in the last weekend. Ergodic Theorems are already relegated, with Queen probably needing two wins out of two to survive. Gamblers United, the Ages and the Potato People remain on the brink of relegation. The Potato People remain luckiest, while Queen are still unluckiest.

Tamriel Athletic leads Berkeley Conference, and together with St. Helens they are ready for Lexington. Dummys will in all likelihood follow them, but need one point in the last issue to make sure. Time Will Tell has been relegated, with Frackers FC and Greensleeves United looking likely to join them down to Kirkwood. Drawmongers FC remain luckiest, while Fjortoft's Friends are still unluckiest.

Kirkwood Showdown will feature more nailbiting the last weekend, as the division is topped by five clubs within two points, with another club two more points behind for good measure. At the bottom, however, things look sorted; Cheeseheads need to win both games the last round to have any chance of staying up. Sleep Wanderers are still luckiest, while Make or Break takes over the unluckiest mantle.

Sleep Wanderers are still luckiest of the league system, followed by Blue Revolution and the Potato People. Queen remain unluckiest of the league system, still followed by Night Owls and Fjortoft's Friends.

The home advantage is still 9 VP. In the next issue, rounds 21 and 22 will be played. In addition, the Rosedale Knockout final will take place.

The deadline for issue 12 is Friday, March 12, at 2130 CET.

I will send out the teams soon.
