14. GM's ramble

The 19th season is underway!

Twin Peaks Owls have taken the lead alone in the Premiership, being the only club to claim two wins in the first weekend there. Thinkers FC, Night Owls, Desassossego Blues and Sheffield Thursday all managed three points. Below the line, we find FC Mokum (1), Feyenoord (0) and Dead Dino Storage (0). Table-toppers Twin Peaks Owls start out luckiest, while Springfield United start out unluckiest.

A duo tops Lexington League: The Professors of Jazz and Drawmongers FC, with four points each. FC Asskickers and Tamriel Athletic are only one point behind. Three teams lost both in this first weekend, and they are Extreme, Gamblers United and Car Park Rangers. Drawmongers FC were luckiest the first round, while Extreme were unluckiest.

Berkeley Conference also feature a duo in the lead with four points, Saturday Morning FC and Fantasy Finale. Make or Break, Magical World and CF Adidal all have one win and one draw. The last place of doom is held by Liverpool FC, being the only Berkeley team without league points in the first issue. Magical World were luckiest, Slartibartfast FC unluckiest.

Twin Peaks Owls start out luckiest of the league system, followed by Sheffield Thursday and Drawmongers FC.
Extreme start out unluckiest of all, with Springfield United and Dead Dino Storage following closest.

The home is still 6 VP. In the next issue, rounds 3 and 4 will be played.

The deadline for issue 3 is Friday, May 14, at 2130 CET.

I will send out the teams soon.
