13. Rosedale Knockout semi finals draw

Kremlin vs. Twin Peaks Owls
 Erkrath Gladiators vs. Drawmongers FC

14. GM's ramble

Currents of Space's luck ended abruptly this session with two unlucky losses, and FC Asskickers took advantage of the opportunity to jump ahead by five points. Suddenly, it looks more like a five horse race for second place, where Feyenoord, Ubermenschen, Erkrath Gladiators and St. Helens challenge Currents of Space. The bottom four are now Illuminatus! (11), Chicken Run (11), Call of Cthulhu (9) and Night Owls (7), with four points up to safe ground. Formula 1 Legends remain luckiest of the Premiership, while St. Helens remain unluckiest.

In Division 1 West, it looks like Drawmongers FC will promote to the Premiership, while the other seat is there to be fought over between Botanica and Fjortoft's Friends. Dummys and Fantasy Finale are closest to challenge them and thus in the Championship slots, while Slartibartfast FC and ENPS lurk right behind them. Dead Dino Storage (7) and Sheffield Thursday (7) need stellar finishes to stay up, while Thinkers FC (3) probably relegated this weekend. Dummys are now luckiest of the division, while Thinkers FC are now unluckiest.

Enga have upset Serial Killers on top of Division 1 East, but only by goal difference. These teams have 27 points each, while WrapUp in third have 22 and might still put pressure on them. Famous Battles (20) and Desassossego Blues (18) look likely to promote as well. In this league, the relegation race is a lot closer than in its counterpart, with ForEverton (10), Professors of Jazz (8) and Springfield United (5) all chasing Queen (11). Serial Killers are still luckiest here, while Queen reclaim the unluckiest mantle from ForEverton.

Madmartigan City have overtaken Molde FK for the second place in Division 2 West, thus being the closest chaser of Ajax Aswandam. Make or Break, Valiant City and Parsifal are all realistic candidates to challenge the former three for moving up. The relegation look as clear as last round with the gap remaining at five points. Valiant City are now luckiest, while Car Park Rangers are now unluckiest.

Kremlin lost to Extreme this round, but still lead Division 2 East with 26 points, two ahead of CF Adidal and Love Songs. Stadium Dreams have 23 and Ergodic Theorems 21, and promotion is likely between these five teams. The relegation battle currently looks like a duel between Extreme and The Scientists. Ergodic Theorems are now luckiest, while Extreme remain unluckiest.

Serial Killers are now luckiest of all, with Formula 1 Legends and Dummys closest. Queen are now unluckiest of all, followed by St. Helens and Call of Cthulhu.

The home advantage is still 8 VP. In the next issue, rounds 17 and 18 will be played.

The deadline for issue 10 is Friday, February 3, at 2130 CET.

I will send out the teams soon.
