1. Introduction

Hi all,

Here are the first results of the season. I am having some troubles with having extra work with adjudication due to more than one player having the same name in clubs, I think I have been able to make match lineups like you intended, but there is a risk of mistakes, and it consumes extra time and should be avoided. Thus I call upon you to help me with a cleanup - if you have more than one player in your club with the same name (including players where just a lower-case and upper-case version of the same letter separate them), please send new names so that all players have their own unique name. For those who do not send new names, I will try to find new names myself.

Player renaming will be free this time, but if the problem persists, maybe I should consider putting the option of player renaming on the table for, say, 100 apiece for everyone, and mandatory for duplicated names upon discovery? Or would that be too harsh? Mistakes happen, but we also want to avoid people speculating in using duplicate names as a form of subterfuge (I do not suspect anyone of that, but maybe other players would if the problem persists without any price).

Best wishes,
Joe

The early deadline for issue 3 is Friday January 30, at 21:30 CET.
The deadline for issue 3 is Friday February 6, at 21:30 CET.

Next issue, you send orders for:
* match days 3 and 4 in the league (see section 12)

This round, the home advantage remains 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching (except the three who just joined us, you will have coaching every round later, but not this first round). Optionally, you can also discover talents and buy/sell players.

By the time you read this, I have already sent out your teams. If you haven't received them, let me know.

2. Broadcast messages

Very pleased to announce the return of the Frillby press!

Jed Stone, Frillby United: «Sports Section Lonsdale Courier
Latest rumours from 'The Nest' - the home of the Sugunami Bad Boys - suggest that Trent Ellis better known as 'The Evil Midnight Bomber' is at the top of the list as replacement manager for the club. EMB is well known from his playing days with Saturday Morning when he celebrated every goal he scored by throwing his fist in the air and shouting 'By the Power of Grey Skull'.

A spokesperson for the club wouldn't confirm that Mr Ellis was being considered for the position though he did admit after their last disastrous season the Board would probably have considered 'Stumpy Peters' the famous one legged goal keeper for the position if he had put his name forward.

Mr Ellis was unavailable to comment as he is, for the moment, a contestant in Channel 55's Big Bro's Home.»
