The deadline for issue 4 is Friday February 27, at 21:30 CET.

Next issue, you send orders for:

This round, the home advantage remains 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching (except the three who just joined us, you will have coaching every round later, but not this first round). Optionally, you can also discover talents and buy/sell players.

By the time you read this, I have already sent out your teams. If you haven't received them, let me know.

2. Broadcast messages

Jed Stone, Frillby United: « Sports Section Lonsdale Courier - Jack Ludgute - Football Historian on:-

The Tale of 'Stumpy Peters'. - Part 1:-

It was seeing the score line from the two opening Sheffield Thursday matches reminded me of Carl Peters. He was six foot two, could run like the wind and he were the best forward Sheffield ever had. He scored three goals in his first match and there after, scored at least once in every match he started in. He was virtually unstoppable. He dodged defenders, misled goal keepers and seemed he could score at will... until he broke his leg badly in training. Infection set in and eventually they had to amputate the leg. It seemed like it were the end of a promising career. You can't play football with a wooden leg, or so we all thought. But Carl was resourceful. Football was in his blood. He couldn't score goals any more but he knew the

tricks. He knew he could save them. His hands were like shovels, ideal for a keeper, so he put a spring on the bottom of his wooden leg and trained himself to keep goal.»
