2. Broadcast messages

Jed Stone, Frillby United:

«Sports Section Lonsdale Courier - Jack Ludgute - Football Historian on:-

The Tale of Stumpy Peters:-

Part 2

He went back to his old club and they immediately put him back into the team. The press went nuts. No one believed in a keeper with a wooden leg. ..until they saw him play. Agile had nothing in it. With his shovel like hands and his new found ability to leap and bounce off that wooden stump he easily covered the net and kept the ball out. If 'Carling' ever formed a football team they'd have put Stumpy in goal. He was that good. It was like watching a ballet dancer at work. He'd flit gracefully across the goal mouth, pluck the ball out of the air, bounce once on his wooden leg and whack the ball right up the field right to the feet of the nearest attacker. Sheffield was the talk of the league after they took Stumpy back. Their gates went up so much they had to turn people away from matches. Everyone wanted to see Stumpy play and everyone waited for the day when Saturday Morning came to play. Everyone wanted to be at the meeting of the century. Stumpy Peters v The Midnight Bomber!»
