### 1. Introduction

---

The new season is underway! Since the issue is on time, I will stick to the previously published dates for next issue:

The early deadline for issue 4 is Friday February 19, at 21:30 CET.  
The deadline for issue 4 is Friday February 26, at 21:30 CET.  
Publication of issue 5 expected latest Wednesday March 9.

If issue 4 is out on time, the deadlines for issue 5 will be March 18 and 25. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Next issue, you send orders for:

- \* match days 5 and 6 in the league (see section 12)
- \* round 2 of the Rosedale Knockout (see section 13)

This round, the home advantage is 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

I am having some technical issues sending out team sheets. I will try to resolve it as soon as possible, and if I can't get it done within a few days, I will push deadlines back.

Jed Stone, Frillby United: «From Sports Section:- LONGDALE COURIER - Skelsthorpe

Sir James Estdale, Chairman of Frillby United, has refuted claims by Professor Brewoffa that that the remains of Davidus Weckham the Celtic farm cart racer whose burial site was uncovered towards the end of last season at the new Frillby Stadium, is bogus. Claims that the site is merely a Victorian tribute to David Wreckham the Victorian cart racer are 'bunkum!' 'It is', claims Sir James, 'a common error usually seen in exam papers. There is a great deal of similarity between the two though they lived several hundred years apart. The site at Frillby has been verified by experts in the field. They may be related, but that has yet to be proven as the relevant records were lost in the Great Fire of London. However, a living descendant of the Victorian racer has been traced to a farm in Somerset and we are now awaiting the results of DNA tests.' Sir James also said that the theory, as put forward by Madame Zelda Crumpata the well known mystic, that they are one and the same due to 'spirit transference' or 'time travel' is pure twaddle.»

Deepak Mohoni, Slartibartfast FC: «The players of Frillby United have apparently taken to some rotgut that answers to the name of "Scrazz". The effects of this unmentionable potion were there to see in their Cup tie - when they lost all the discipline they had shown during the league games and let in four goals - three of which appeared to be OGs, though Jazz players were given the credit. FU would do well to stick to the tried and tested PGGB, even though it would seem they have still some way to go before they can adapt to it.»

### 3. Apprentices discovered
