1. Introduction

Since the issue was delayed a few days, I have pushed the deadlines back.

The early deadline for issue 9 is Friday January 22, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 9 is Friday January 29, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 9 is Wednesday February 17. It might be out sooner.

If issue 9 is out on time, the deadlines for issue 10 will be February 26 and March 5.

If you have heard nothing by the publication date, feel free to get in touch to check up on it. You can also check the homepage to see if the new issue is out or not.

Next issue, you send orders for:

* match days 15 and 16 in the league (see section 12)

This round, the home advantage remains 8 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

2. Broadcast messages

Jed Stone, Frillby United:

"Letter to the Sports Editor Eric Philpotts LONGDALE COURIER - Skelsthorpe

Dear Sir, I find it shameful that people with some intelligence are taking notice of this rubbish about aliens playing football. It's a load of nonsense. The Slartibartfast team are not associated with aliens. They are just a bit strange. That Zaphod fella is not an alien just because he has an extra arm sown on his suits and likes to go around with a bucket on his shoulder pretending he's got a second head. He's just eccentric! His car's not a space ship either it's just a flash American car with extra bits welded on it. The trainer is a bit weird. Always going around in a suit of armour claiming to have been a car park attendant at a restaurant at some place called The End of the Universe but each to his own. It's actually all a cover up organised by McCullan and his cronies at the National Leagues Board. They are trying to distract attention from the disaster of the Visually Aware Referees stuff they introduced to improve the game. They are using trained octopuses to run the VAR machines. Octopuses are very intelligent as they use ink and can see things better with their big goggly eyes and with eight arms they can work all the necessary buttons and levers easily. Unfortunately they have no idea what the off-side rule is about...or probably how to play football! Its a disaster and McCullan and co should admit it was a mistake, stop all this alien nonsense and scrap VAR. Lets go back to proper referring with real people!! Arthur Bradshaw Esq. 85.

PS: By the way, Elvis has come out of retirement! He was in Blinks Chippy last Friday. I know it was him as he was singing 'Jail House Rock' to the customers as he served the chips!"

3. Apprentices discovered

None.

13. Rosedale Knockout quarter finals

Twin Peaks Owls - Kremlin 1 : 0

Scorers: Tammy Preston (12.) ***---

Sent off: Duncan Todd (15.) ***---

Booked: Bushnell Mullins ***Ludmilla Patina, Oleg Satin

Kremlin were stronger here, but Twin Peaks Owls had Tammy Preston who scored the only goal of the game.

Currents of Space - WrapUp 4 : 0

Scorers: Nexus (61., 79., 89.), Jason dinAlt (39.) ***---
Currents of Space faced opposition from the level below here, and showed them a lesson in efficient football.

Chicken Run - Serial Killers 0 : 1
Scorers: --- ***Samuel Little (38.)
Booked: Jezebel ***Samuel Little
Serial Killers were slightly stronger here, and that was enough for them to get a one goal win through normal play.

Lake Tanganyika - Night Owls 1 : 2 ot. (1 : 1)
Scorers: Goudvis (27.) ***Wall of Owls (111.), Green Owl (17.)
Lake Tanganyika had the upper hand here, but Night Owls kept on fighting, and got the decider in the extra time. Thus we have a Championship side in the semi finals!

Teams not currently part of the league system are now conference league teams with 60 VP. All cup games are played on neutral field, thus neither team will have a home advantage.
