1. Introduction

Hi all!

Here are the latest results. Please check for errors, and let me know if you find any!

The early deadline for issue 6 is Friday July 25, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 6 is Friday August 1, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 6 is Wednesday August 20. It might be out sooner.

If issue 6 is out on time, the deadlines for issue 7 will be August 29 and September 5. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Next issue, you send orders for:

- * match days 9 and 10 in the league (see section 12)
- * the third round of the Rosedale Knockout (see section 13)

This round, the home advantage remains 7 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

Jed Stone, Frillby United:

« Twixby Lane Training Ground goal post conflag

"Madame Crumpeta's forecast for the Slartibartfast against Botanica was spot on. Correct even down to Zaphod Two scoring," said Ben mouse. "In reality though, Fenchurch should have credit for all five goals. That third one was a cracking shot from 30 yds out and would have zipped into the top right corner if Zaphod hadn't got his head in the way and flipped it the other way?"

'Totally unintentional,' pointed out Hallix stretching his wings. 'He was wandering around like dazed scarecrow for at least ten minutes.'

'Unlike the game against Daisy's Friends when he spent the whole match doing that.'

'The turning point was when Deep Thought was booked!'

'Well, throwing a stick over Tommy's head and yelling, "Fetch!" was never going to be a successful tactic.'

'But if it hadn't struck the ref on the ear it might have worked!'

'HMM! The point us Madame Crumpeta's spirit guide has only a fifty percent success rate so far. Lets see how they do against the many arms of the Hydra and the magic of the Wizards.' »

3. Apprentices discovered
