1. Introduction

Hi all!

Here are the latest results. Please check for errors, and let me know if you find any!

Given the limited interest for Nightmare Mode, I am shelving that idea for now. I expect to trim the league system to 3 divisions from next season onwards.

The early deadline for issue 10 is Friday December 12, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 10 is Friday December 19, at 21:30 CET. It's always Fridays at 21:30 CET.

Publication date for issue 10 is Wednesday January 7. It might be out sooner.

If issue 10 is out on time, the deadlines for issue 11 will be January 16 and 23. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Next issue, you send orders for:

- * match days 17 and 18 in the league (see section 12)
- * the Rosedale Knockout semi finals (see section 13)

This round, the home advantage remains 8 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

I only have to look out the window to see that winter is coming, but I guess the match here proves it! After Jojen Reed scored a goal securing Song of Ice and Fire the lead at half time, David Simelane scored 5(!) goals in 22 minutes in the second half, for a big home win.

A close match looked to end goallessly, but one minute before the end, Musai scored the winning goal for Grimm FC.

Booked: --- ***Thomas Aquinas

A very entertaining match for the fans, and in the end it turned out exactly twice as entertaining for Thinkers FC's hooligans, who might finally have figured out why the flying pig chose an oak tree for its nest, when everybody knows that oinks with wings usually settle in maples.
