1. Introduction

Hi all!

Here are the latest results. Please check for errors, and let me know if you find any!

A few of you had some Java issues, and I think those might be solved with the Java version released this September, which is free for download and use from Oracle's own webpage:
<https://www.oracle.com/java/technologies/downloads/#jdk25-windows>

So if you're still having any issues with the program, that's something to try out. There are also versions for other operating systems.

Also, it's that time of season where if you know anyone who would like to play with us, or you'd like to start a new club, now's a great time to let me know. Likewise, if you wish to retire one or more clubs, a heads up would be good.

The early deadline for issue 11 is Friday January 16, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 11 is Friday January 23, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 11 is Wednesday February 11. It might be out sooner.

If issue 11 is out on time, the deadlines for issue 12 will be February 20 and 27. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Next issue, you send orders for:

* match days 19 and 20 in the league (see section 12)

This round, the home advantage increases to 9 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

2. Broadcast messages

Jed Stone, Frillby United:

«Since the Dawn of Time, the Cattertats of Sallborn 4 had been brewing the perfect gellagon of Pan Galactic Gargle Blaster. (Many historians claim that that is far too late in the day. The brewing process actually began early in the morning the day before the 'Dawn of Time'. The basis for this is the rumour that the Cattertats are a race of time travellers. A fact no member of the race has ever admitted which puts the claim on a flimsy footing.) Whatever the truth, when Benjamin mouse arranged to meet Mollpat, the local Cattertat representative in the Slartibartfast changing room he appeared to materialise out of nowhere that Ben was looking, accompanied by a stinging blast of cold air and a fair amount of snow.

'Miserable weather for the time of year,' Mollpat remarked while removing his skis. 'Where is this imperfect PGGB you want me to look at?'

Benjamin glanced at the spring sun through the window before taking him across to the Club's supply of PGGB.

Meanwhile, some way away, possibly in time as well as space (no-one was checking) Ben and his friends were busy watching a pig with wings happily scoffing the acorns they were feeding it.

'Strange isn't it,' remarked Thongral, 'but I can't remember the score of the match we have just watched.'

'Daisy's Friends 5 Castaway 3,' replied Hallific, dropping an acorn next to the pig.

'No!' said Bezruth. 'It was Sheffield Thursday v Castaway. Sheffield lost 2 -3.'

'I'll tell you what's strange,' Said Ben. 'We're feeding acorns in spring, when there are no acorns, to a flying pig that belongs to another planet and I'm standing in a patch of snow!!'»

4. League results

Rosedale Premiership Match day 17

Feyenoord - New Generation 1 : 0

Scorers: Gerard Bergholtz (85.) ***---

New Generation almost managed to survive to a goalless draw, but five minutes before the end, Feyenoord scored the winning goal. Not only are the table toppers still undefeated at home, but they have only dropped a single draw all season. With five rounds to go, a two point lead is far from decisive, but it's starting to become significant.

Currents of Space - Oaks 1 : 0

Scorers: Angelina (75.) ***---

Like their primary rivals Feyenoord, Currents of Space needed quite a while to get the decisive goal, but Angelina secured the two points in the end.

Fantasy Finale - Twin Peaks Owls 0 : 0

Twin Peaks Owls have the mastery down for away draws, the sixth time in nine rounds this season. They were actually a bit closer to winning than the home side.

Grimm FC - Lake Tanganyika 2 : 2

Scorers: Varne Tyv (43.), Alp (62.) ***Ocellatus (20.), Calvus (7.)

Lake Tanganyika started out excellently, being up by two in the first twenty minutes. However, Grimm FC fought back and caught up before the middle of the second half. From there on and out, the home team were chasing the win, but Lake Tanganyika managed to hold on to the draw.

Serial Killers - Dirigentia con Brio 1 : 0

Scorers: Samuel Little (45.) ***---

A vital win for Serial Killers, closing the gap from three to one point between these two clubs, going into the final five rounds. Both clubs are also anxiously awaiting the score from the next match on the list...

Song of Ice and Fire - Kremlin 2 : 3

Scorers: Mance Rayder (85.), Yohn Royce (38.) ***Perestrojka (60.), Hybrid Warfare (63.), UltraHomophobia (16.)

Song of Ice and Fire managed the upper hand here, but Kremlin may have had allies on the often divided home team. At least the visitors secured three very important points, suddenly having a three point gap down to the relegation zone with five rounds to go.

Rosedale Premiership Match day 18

Parsifal took an early lead, and easily defended it for the rest of the game.

Queen - WrapUp 2 : 0
Scorers: My Fairy King (69.), Killer Queen (3.) ***---
Queen had the upper hand in play here, and won after a goal in each half.

Gamblers United - Tamriel Athletic 1 : 0
