1. Introduction

Hi all, and welcome to the new season!

The league system has been reduced from 4 to 3 divisions. This has brought on the following changes:

1) The Rosedale Knockout changes as follows:

- * Round 1 of the cup is played by Division 1 only, the 12 teams playing 6 matches.
- * Round 2 is played by the 6 winners of Round 1, plus the top division teams (24), plus two NL sides of 70 VP.

2) Television rights are now 300 for each club in the Premiership, and 200 for each in the Championship. Division 1 clubs no longer receive money from television rights.

The second change is a balancing measure, since the first change gives Division 1 clubs an extra chance at a VP and match rewards.

Take notice that the NL sides are a bit stronger than before.

Apart from that, everything should be as you are used to. The updated rules are attached, though the only difference from last year's rules is in the television rights section.

Since the first cup round has been significantly reduced, I intend to move back to a regular turnaround for issue 2, removing the extra week. I still as always appreciate orders by the early deadline, but it is entirely optional. I would rather you send the orders you want by the regular deadline, than something rushed by the early deadline.

The early deadline for issue 2 is Friday May 8, at 21:30 CET. It's always Fridays at 21:30 CET. The deadline for issue 2 is Friday May 15, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 2 is Wednesday June 3. It might be out sooner.

If issue 2 is out on time, the deadlines for issue 3 will be June 12 and 19. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Deadline follows the local time here in Norway (so GMT +1 or GMT +2 depending on whether we are observing summer time).

I think the below list is correct, for reference:

- * Friday 14:30 Central United States
- * Friday 15:30 Eastern United States
- * Friday 20:30 Ireland, United Kingdom
- * Friday 21:30 Austria, Germany, Netherlands, Norway, Sweden, Switzerland
- * Saturday 01:00 India
- * Saturday 04:30 Japan

Next issue, you send orders for:

- * match days 1 and 2 in the league (see section 12)
- * the first round of the Rosedale Knockout (see section 13)

This round, the home advantage is 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

I offer email reminders for the game - if you want to be added to that mailing list and be reminded periodically about the deadline, let me know. Likewise, if you receive reminders but no longer want them, just let me know.

Season information:

Every issue from 2 to 12 contains two league matches. Cup draws are done in odd (1,3,5...) issues, cup games are played in even (2,4,6...) issues.

Issue 1: Start of the season issue, no matches played. First GM's auction and cup draw shown here.

Issue 2: Most players will discover all their three talents here, before the first matches. Division 1 play their first cup matches.

Issue 4: Rosedale Premiership and The Championship play their first cup matches.

Issue 6: This issue is the last chance to discover talents and still have them reach 7 this season.

Issue 7: This issue contains the last GM's auction of the season (sold in issue 8).

Issue 10: This issue is the last chance to add players to the transferlist.

Issue 12: This issue is the last chance to sell players to the non-league.
