1. Introduction

Hi all! Here are the first results of season 36.

The early deadline for issue 3 is Friday June 12, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 3 is Friday June 19, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 3 is Wednesday July 8. It might be out sooner.

If issue 3 is out on time, the deadlines for issue 4 will be July 17 and 24. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Deadlines follow the local time here in Norway (so GMT +1 or GMT +2 depending on whether we are observing summer time). There is an overview in issue 1 each season. If your location is missing, let me know!

Next issue, you send orders for:

* match days 3 and 4 in the league (see section 12)

This round, the home advantage remains 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

2. Broadcast messages

Jed Stone, Frillby United:

«Trillian Lane. Training Ground for Slartybartfast.

"The mower wont start!" Young Joss kicked the rear wheel in frustration and turned to look at Old Bert Barchester the head groundsman. He was standing a short distance away staring at the far goal post.

"It was workd this morning," replied Bert. "Started raining as soon as I got it going though so I had to pack in. Rain might have got to it!"

"It didn't rain this morning!"

"It did here!" "...and it stopped raining as I turned the motor off," he thought. 'Small rain cloud right over mi head.'

On the far goal post the owl and pigeon were just sitting watching him. He had hoped that a new start in the third division and having a cup of tea instead of a Gargle Blaster Shandy before work would have proved they were an illusion. Apparently they weren't. He mentally called 'time' and took Joss off for a cup of tea.

Halifac the owl watched the pair leave the ground. " If they don't get on with it they wont have the grass cut in time for the first match against the Yorkies," he said.

"Long grass would slow down their forwards," said Thongral." And any advantage this team can gain, however small, will be good!"»

 Scorers: Henry (21.) ***Oolon Colluphid (35.)
 Booked: --- ***Max Quordlepleen
 In this match, Extreme tried to find what you get if you multiply three with seven, and Slartibartfast FC tried to find what you get if you multiply five with seven. They were considering doing six and seven next, but met vocal protests from a strange bird perched on the stadium roof.

Yorkies - Jirs Nightmare County 2 : 1
