1. Introduction

Hi all! Here are the latest results!

With the first two issues done, all the Premiership and Championship clubs will now be joining the cup. We also have two Non-League sides, who will be playing with 70 VP strength (not 60, like in previous seasons).

The early deadline for issue 4 is Friday July 17, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 4 is Friday July 24, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 4 is Wednesday August 12. It might be out sooner.

If issue 4 is out on time, the deadlines for issue 5 will be August 21 and 28. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Deadlines follow the local time here in Norway (so GMT +1 or GMT +2 depending on whether we are observing summer time). There is an overview in issue 1 each season. If your location is missing, let me know!

Next issue, you send orders for:

- * match days 5 and 6 in the league (see section 12)
- * the second round of the Rosedale Knockout (see section 13)

This round, the home advantage remains 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

2. Broadcast messages

Jed Stone, Frillby United:

«Roof North Stand - Twixby Lane - Match Day 2

'That last home match for Slarty was a disaster! I said they should have had the grass cut. The pitch was a jungle. Collicare started his run at the half way line and came out of the grass like a leaping tiger. The defence didn't even see him coming!'

'Don't be daft Thongral. The grass wasn't that long.'

'Yes it was! Broken mower. Grass not cut! Slartybartfast were wondering about looking for the ball the whole match! Lost in the grass it was! The only reason the Yorkies managed to score was because they kicked off and had the ball from the start.'

'Rubbish! Old Bert Barchester had borrowed the mower from Frillby as they were away to Serial Killers. The grass was cut.'

Bezruth was replacement goal-post at Frillby's match. He said it was a good game though it was a pity that Brent was sent off for whacking the linesman with the corner flag when he was flagged offside. Bit harsh I thought. Yellow card would have done'

'One of Frillby's lot should whack Mordane with a corner flag. Ice and Fire are running rings round them! Oh good! There's the half time whistle. The Skelsthorpe WI's Mop and Bucket Display Team will be...Hallifax! Where are you going?'

'To have a word with the Boss Man. I can see the way they can win this match!'
