1. Introduction

Hello everyone,

Here are the latest results. Due to previously mentioned health issues, they are significantly delayed, and I decided to get them to you now rather than write match comments. I hope to be back into regular schedule and with match comments from next issue onwards.

I recommend checking more closely than usual that I got things correct; I made some mistakes, but I hope I've caught them all.

The early deadline for issue 5 is Friday September 18, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 5 is Friday September 25, at 21:30 CET. It's always Fridays at 21:30 CET.

Publication date for issue 5 is Wednesday October 14. It might be out sooner.

If issue 5 is out on time, the deadlines for issue 6 will be October 23 and 30. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Deadlines follow the local time here in Norway (so GMT +1 or GMT +2 depending on whether we are observing summer time). There is an overview in issue 1 each season. If your location is missing, let me know!

Next issue, you send orders for:

* match days 7 and 8 in the league (see section 12)

For these matches, the home advantage increases to 7 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.
